## Private Events Pricing 2021

We will work with you on designing your 'event'. All our events are curated specifically to your requirements, you tell us what you want to do and we will do the rest.

Each tasting will last between 2 –3 hours and will be hosted by a DipWSET qualified wine professional.

We provide ISO tasting glasses, spittoons and detailed information on all the wines tasted along with tasting sheets for you to make note of your favourites. You even get to keep your own glass!
